SUMMARY

Travel consultant with 4+ years of progressive experience spanning retail, corporate, and marine travel — advancing from a client-facing associate role into specialized marine and corporate travel consulting within three years. Expert in Amadeus and Sabre GDS platforms, complex fare construction, and multi-modal itinerary management, with a track record of improving client satisfaction and reducing ticketing discrepancies through process discipline and strong SLA/TAT compliance.

EXPERIENCE

Marine Travel Consultant

ATPI – GTS E-Services Pvt. Ltd.

Oct 2025 – Present

Mumbai, India

- Deliver end-to-end marine travel services in full compliance with ATPI global standards, policies, and client SLAs, supporting time-critical crew and vessel travel needs.
- Manage domestic and international air bookings via Amadeus, executing complex routing and best-fare strategies to maximize accuracy and cost efficiency.
- Handle the full ticketing lifecycle — issuance, reissues, revalidations, schedule changes, and ancillary services — with a strong record of accuracy under tight turnaround windows.
- Coordinate multi-modal bookings across hotels, car rentals, railways, and ferry services, building seamless end-to-end itineraries for marine clients.
- Liaise directly with airlines and global suppliers to resolve fare rules, secure waivers, and manage irregular operations (IRROPs).
- Resolve booking discrepancies and client escalations with a customer-centric, solution-driven approach, maintaining strict SLA and TAT compliance.
